**Subject:** Draft Relocation Impact Memorandum

It has been determined there is no significant impact to owners, tenants, businesses or persons in possession of real property to be acquired who would qualify for relocation assistance benefits or entitlements under the Uniform Relocation Assistance and Real Property Act of 1970.

The California Department of Transportation (Caltrans) District 12, in cooperation with the Foothill/Eastern Transportation Corridor Agency (F/ETCA) proposes to construct a median-to-median connector between SR-241 and the tolled lanes in the median of SR-91 (SR-91 Express Lanes). There is currently no direct connection between the SR-241 and the SR-91 Express Lanes.

The Proposed Project, located at the junction of SR-241 and SR-91 in the cities of Anaheim, Yorba Linda, and Corona, and the counties of Orange and Riverside, would provide improved access between SR-241 and SR-91, and is proposed to be a tolled facility. The proposed median-to-median connector project encompasses a total length of approximately 8.7 miles (mi). The improvements for the connector include 5.9 mi from south of the Windy Ridge Wildlife Undercrossing on SR-241 to Coal Canyon Undercrossing on SR-91. The remaining 2.8 mi of the Proposed Project include FasTrak signage improvements (advance signage).

The project would require partial acquisition of one undeveloped property, owned by the County of Orange. No other right-of-way acquisition is necessary.

Any person (individual, family, corporation, partnership, or association) who moves from real property or moves personal property from real property as a result of the acquisition of the real property, or required to relocate as a result of a written notice from the California Department of Transportation from the real property required for a transportation project is eligible for "Relocation Assistance." All activities will be conducted in accordance with the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended. Relocation resources shall be available to all displacees free of discrimination.
